PEAT MOSS

Special \$2.35 Bale

20 to 22 bushel bales of Peat Moss, which expert gardeners and flower growers recommend for mulching all flower beds, borders, and shrubbery.

$\frac{1}{2}$ Bale Peat Moss, \$1.50

Rich Blacksoil

For topdressing and filling lawns, flowerbeds, window boxes, urns, and flower pots—this rich black-soil is highly recommended. Unlike other rich soils it does not contain seeds of the common lawn and garden weeds. For tree and shrub planting, Blacksoil is excellent, a liberal quantity at the roots furnishing a reservoir for water.

100 Pounds \$1

Loma is concentrated, high quality plant food, rich in elements vital to plant life—nitrates, phosphates, and potash, as well as other plant nourishment. It is odorless, clean, more powerful than manures, and free from weed seeds.
